

TRANSPORT PACKAGING

THIMM Cup holder is universal cup packaging for the break-proof transportation of sensitive goods. Fixing inlays and corner locks protect the products within the packaging. This packaging solution can achieve handling and process cost savings of up to 50%.

THIMM Cup holder

Universal cup packaging with fixing inlay

CUSTOMER BENEFITS

Break-proof transportation of sensitive goods

- » Reliable product protection due to the fixing inlay with corner locks
- » No additional locks or filling material required for transport protection

Handling and process cost savings of up to 50% in relation to standard solutions

- » Increased production efficiency through multiple use
- » Reduction of the complaints ratio to 0%
- » Can be duplicated for other product solutions
- » Packaging is easy to open with tear perforation

» Design number: 139307.01.701B

APPLICATION AREAS

- » Mail order
- » Glassware, china
